*Into the Wild* is a 2007 American biographical adventure drama film written, co-produced, and directed by Sean Penn. It is an adaptation of the 1996 non-fiction book of the same name written by Jon Krakauer and tells the story of Christopher McCandless ("Alexander Supertramp"), a man who hiked across North America into the Alaskan wilderness in the early 1990s. *Into the Wild* captures the recklessness, the passion, and also the cruelty of youth. This is a film that is full of life, showing how much living the young man did in his short time on earth, yet it's laced with the tragic realization that his life was somewhat wasted.
